

# WESTERN JURISDICTION HISPANIC/LATINO MINISTRY

## Progress Report 2014 - 2016

The College of Bishops of the Western Jurisdiction in collaboration with the Western Jurisdiction Leadership Team and Mission Cabinet, and in collaboration with the National Plan for Hispanic/Latino Ministry of The United Methodist Church will lead a Hispanic/Latino Ministry Strategy Direction to strengthen and grow Hispanic/Latino ministry in the West over the 2013-2016 quadrennium. The Western Jurisdiction Hispanic/Latino Ministry Strategic Direction for 2013-2016 includes three main areas of focus:

### Planting New Hispanic Congregations

Plant new Hispanic congregations deeply grounded in a United Methodist identity and those for people who are new arrivals, established residents, as well as for the different socioeconomic, and generational groups of the Hispanic/Latino community. **Diversity and inclusivity are high values in our work.** We envision that some of our new church plants will develop into multi-ethnic/multi-cultural congregations. Every congregation in our jurisdiction is encouraged to be an inclusive/hospitable-to-all church.

*\*Note that we have also included in this report new plants being launched as of July 2016.*
